

REPORT ON POSTER MAKING COMPETITION

Event Details

Event Name: Poster Making Competition

Theme: *"Inspired by Nature. For Climate. For Our Future."*

Date: 5 June 2026

Time: 1:00 p.m.

Venue: MBA Block – Room No. 101

Organized By: Eco Club, Keshav Memorial Institute of Management (KMIM)

Number of Participants: 15

Introduction

As part of the World Environment Day 2026 celebrations, the Eco Club of Keshav Memorial Institute of Management organized a Poster Making Competition on 5 June 2026. The competition was conducted based on the official World Environment Day 2026 theme, **"Inspired by Nature. For Climate. For Our Future."**

The objective of the activity was to encourage students to creatively express their thoughts on environmental conservation, climate action, and sustainable development through artistic presentations. The event provided a platform for students to combine creativity with environmental awareness and showcase their ideas for a greener future.

Activity Conducted

A total of **15 students** enthusiastically participated in the competition. Participants were provided with drawing sheets, while they brought their own stationery materials such as pencils, sketch pens, crayons, and color pencils.

The posters depicted various environmental themes including:

- Climate change and its impact on the planet
- Conservation of natural resources
- Sustainable lifestyles and green practices
- Biodiversity protection
- Afforestation and ecosystem restoration
- Pollution control and waste management

The participants demonstrated remarkable creativity and imagination in conveying meaningful environmental messages through attractive designs, illustrations, and slogans. The competition witnessed active participation and reflected the students' concern for environmental sustainability.

Judging and Results

The posters were evaluated based on the following criteria:

- Relevance to the theme
- Creativity and originality
- Artistic presentation

- Clarity of message
- Overall impact

Prize Winners

First Prize: Ms. Laxmi Prasanna, MBA I Year

Second Prize: Mr. P. Mahesh Goud & Ms. G. Shruthi, MBA I Year

Third Prize: Ms. Kriti Mishra, Ms. T. Sri Nidhi & Mr. J. Sai Ram, MBA I Year

All participants were appreciated for their enthusiastic participation and commendable efforts.

Outcome and Impact

- Enhanced awareness about environmental conservation and climate action.
- Encouraged students to express environmental concerns through art.
- Promoted creative thinking and innovation.
- Reinforced the significance of adopting sustainable practices.
- Inspired students to contribute towards environmental protection and climate resilience.

Conclusion

The Poster Making Competition was a successful and engaging event that effectively blended creativity with environmental awareness. Through their artistic expressions, students highlighted the importance of protecting nature and addressing climate challenges. The activity reinforced the message of World Environment Day 2026 that inspiration from nature can guide society towards a sustainable, climate-resilient, and environmentally responsible future.
